FIRST FRIDAY!

Welcome back! A warm welcome is extended to our 2019 kindergarten children along with all new MPS families. I’m sure families will enjoy their association with our school in the coming years.

Staff are extremely pleased with the manner in which students have settled back into the school routines. It is most apparent that students have returned ready to learn and happy to maintain our high standards.

All parents are encouraged to be part of our school, to be involved in the life of the school and to share in their child’s success. Parents can support the school in many ways such as, listening to your child read each day, reminding them to complete their homework and when necessary, speak to them about behaviour at school. There are also many opportunities to help with activities - reading groups, Premier’s Reading Challenge, sporting teams and carnivals.

I do urge all parents to be involved with the Parents & Citizens Association – a group that plays an active role in the education of MPS children and support for our school. Meetings are held on the third Monday of each month in the school library commencing at 6:00pm. The first meeting for 2019 is on Monday 18th February.

How can we all know what is going on? We have various methods by which we keep parents informed. The school newsletter is published each fortnight and is sent home with your eldest child. All newsletters are uploaded on the website so that if your paper copy goes missing you can access a copy.

Our school website is a valuable communication tool with a large amount of information about school policies and plans. Parents and friends can visit our website by either searching (Googling) Moree Public School or go to the following web address: http://www.moree-p.schools.nsw.edu.au/

Many parents have taken the opportunity to download the Moree Public School Skoolbag App for mobile phones.

The electronic school sign provides information on events and school/student achievements. Messages change each Monday.

Ando and 2VM continue to very generously present School News each morning at around 7.10am. This may be a helpful reminder of daily events as your family is preparing for the day ahead.

Important Information ...

• Wed 13th & Thurs 14th – MPS tennis trials at lunch time with Mrs Kaukiainen
• Friday 15th February – MPS swimming carnival
I encourage all parents to take advantage of these avenues to be informed and avoid missing key events. Alternately, a phone call to school office personnel, Mrs Pilon, Mrs Nelson and Mrs Hickey will ensure that the appropriate staff member returns your call. The office is open from 8.30am through until 3.30pm. However, please be mindful that teachers cannot take calls during class time and will return calls after teaching.

Moree Public School has a dedicated team of teachers and support staff helping your children achieve the best possible learning outcomes. Today, I would like to welcome our new staff members:

Miss Alexandra Hunt - SLSO
Mr Jett Sampson - SLSO

A complete list of teachers, support staff and classes will be published in the next newsletter.

Up and ready … MPS has a very clear uniform policy and I would have to say our students look fantastic in their correct summer uniform. The children especially look smart when wearing the school hat – the bucket hat being particularly functional. Your continued support with enforcing the correct attire will be very much appreciated. The primary department has in place a uniform and equipment competition with a fun activity as the prize for the grade which is most consistent in wearing school uniform and bringing their equipment throughout each term. Thank you in advance for ensuring your child continues to wear correct school uniform each day.

2019 student leaders – James, Ben, Talara, Ruby
Lachlan, Chloe, Lucy & Milos enjoyed welcoming the new kindergarten families.

A refreshing day at the pool scheduled for this Friday will launch a wonderful start to the 2019 sporting events. Student participation is always a feature and we look forward to some very very close finishes in races, many PBs and perhaps some records being broken – best wishes to everyone!

Parents are welcome to assist during the carnival – there are always many jobs, so please go along and support your child.

Best Start kindergarten students are currently participating in the Kindergarten Assessment program. This assessment is designed to identify each student’s literacy and numeracy skills and understanding at the beginning of Kindergarten. Children come to school with different levels of literacy and numeracy. The teacher will look at each child’s early reading and writing, their ability to communicate with others, and how they recognise and work with numbers, groups and patterns. The information gathered will guide the teaching of your child.

It is very important to emphasise that the Best Start Kindergarten Assessment is not a test. Feedback from the assessment will be given to parents later in the term.

Procedures at school are implemented to ensure optimum learning time within a safe and orderly environment. The following information is provided, particularly to assist our new families but also as a reminder for others:

When and where are we at MPS throughout the day?
8:30am Playground Supervision
9:00am Morning Session
11:00am Recess
11:20am Middle Session
12.50pm Lunch
1:35pm Afternoon Session
2:50pm Class dismissal

Parents are reminded that supervision is not available prior to 8:30 and therefore students should not arrive at school before that time.

Parents visiting school
Moree Public School welcomes visitors to our school. We do however need to know who is in the school so we ask that when parents and friends come to the school during the day, they present to the front office on arrival. Parents and visitors should not go to classrooms or the playground. This is a requirement and is followed for the safety and security of all children and teachers.
Should parents need to drop off lunches or money for children then the office staff will arrange for it to be delivered to the classroom. Likewise, if you need to collect your child for an appointment, please send a brief note to the teacher indicating the time. Your child will meet you at the school office. Should there be an unforeseen event, please present at the office and a staff member will make arrangements for you. Your assistance in following this procedure is appreciated.

Road Safety is everyone’s concern and responsibility. The periods between 8:30am and 9:00am and between 2:40pm and 3:20pm are extremely busy times at the front of the school as parent and buses drop off and pick up children. Parents are reminded to abide by the parking signs at the front of the school. Please be very careful when crossing the road and model road safety by using the designated crossings. Pedestrians must not use the taxi entrance gates nor cross the road between buses.

Mobile Phones/iPods and other gadgets. Children should not bring mobile phones and personal technology such as iPods to school. The school is NOT responsible for lost, stolen or broken personal technology.

Can we contact you in an emergency? Are your details current? It is important that emergency contact details are up to date to ensure parents can be contacted promptly should your child become sick or injured. If you have changed address or your phone number, please advise the office immediately. Updated medical information is also important for the care of your child. Students that have specific such as allergies, medical conditions or other health problems need to alert the school and provide documentation if special care is required. Where a child needs medication at school parents must deliver the medication (in its original packaging with child’s name) to the office along with written directions for administration.

We want to see your child every day! Regular attendance at school is important for each child’s education. Frequent absences from school can have serious academic and social implications for students. The school is required to check irregular attendance and report it to the appropriate people in the Department of Education for follow up by the Home School Liaison Officer.

A reminder that if your child is absent from school an explanation is required. Please ensure that you inform the school in writing of the reason for your child’s absence from school. Your note should:
1. explain why your child missed school;
2. include how many days your child was away; and
3. include the date or dates.

Please remind your child to give the note to the teacher.

If your child is going to be absent for an extended period of time a phone call is appreciated.

Healthy food options for school lunchboxes are numerous! However, please do not send children to school with nut products. Some children in our school are at risk of Anaphylaxis. Anaphylaxis is a severe allergic reaction that is potentially life threatening. Food allergies are the most common cause of anaphylaxis. There is no cure for food allergy therefore avoidance of known food allergens is crucial. Peanuts and tree nuts are the foods most likely to cause anaphylaxis.

We ask you to support children at risk of anaphylaxis by:

- not sending food which has peanuts or tree nuts (eg hazelnuts, cashews, almonds etc) in the main ingredients list.
- teaching your child not to share food with friends that have a food allergy,
- encouraging your child to wash their hands after eating,
- asking your child to get help immediately if their allergic schoolmate gets sick, and
- explaining to your child that teasing a child with an allergy or tampering with their medication, is bullying and could be life threatening.

Moree Public School is supporting children at risk of anaphylaxis by:

- training staff,
- developing individual health care plans in consultation with health professionals and parents,
- encouraging children to wash their hands after eating,
- educating children about food allergies, and
- choosing not to sell food in the school canteen which contains nuts.

With everyone’s help and co-operation we can continue to provide a safe environment that meets the needs of all our children.

Mrs Lindy Hosegood
Principal (Rel)

2. P&C ASSOCIATION

- MEETING: The P&C meeting will be held on Monday, 18th February commencing at 6.00pm in the school library. Everyone is most welcome.
- UNIFORM SHOP: The uniform shop is kindly opened by volunteer co-ordinators, Mrs Debbie Hardman and Ms Erin Livet each Wednesday and Friday morning between 8.30 and 9.30am.
- CANTEEN: Parents are advised that the ordering procedure continues as per 2018, either online or by dropping the order at the canteen upon arrival at school. The menu will be updated to meet the new Healthy Canteen Guidelines.
5. COMING EVENTS – Term 1
Please check each week for possible variations or listen to local radio 2VM for the daily Harvey Norman Superstore School News segment a little after 7.00am.

3. LIBRARY
The MPS library has a fantastic range of books and children are able to borrow during their weekly class visit and/or during second half lunch. A library bag is required to ensure books can be transported to and from school safely. The library staff is again coordinating the NSW Premier’s Reading Challenge that is open to all students from kindergarten through to Year 6. An information sheet is attached outlining the procedure – a wonderful way to encourage reading!

Mrs Beattie - Librarian

4. HEALTH AWARENESS
Preventative measures greatly assist in minimising the spread of numerous childhood health concerns that may arise from time to time. Children are encouraged to wash their hands frequently at school and soap is provided in each of the bathrooms. Head lice is a common issue in all schools. Please be vigilant with regular checking, treat if required and notify the school office. Further advice with all of these matters can be obtained through your family doctor, pharmacist and/or the fact sheets on the NSW Ministry Health website. These small measures will greatly assist in keeping all children and staff happy and healthy.

Dates to remember!
- Kindergarten parent meeting – Wednesday 13th March at 5.30pm
- P&C AGM – Monday, 18th March 2019 commencing 6.00pm at the MPS library
Moree Public School Library

Moree Public School is offering the NSW Premier’s Reading Challenge 2019 (NSW PRC) to all students, Kindergarten to Year 6. The aim of The Challenge is to encourage students to develop a love of reading and experience quality literature. The Challenge is not a competition but an opportunity to read more and to read more widely.

The PRC will be conducted from Monday, 4 March to Friday, 9 August 2019. Therefore, your child is invited to participate in this annual event and begin reading now! Students will need to complete a Personal Reading Log. The Personal Reading Log is the responsibility of each child and needs to be looked after carefully. At the conclusion of The Challenge, students are asked to return their Reading Log to the school library by Friday, 9 August, 2019 so that details for each student can be entered online. Please find a copy of the Personal Reading Log attached to this newsletter.

All books involved in the PRC have been clearly identified in the Library. Each year group is identified using colour coded labels to assist students with The Challenge. Students may borrow a PRC book for a maximum of two weeks. Normal borrowing rules, such as the need for a library bag, will apply.

The correct number of books needed to be read by students in each grade are as follows;

(i) Kindergarten – Year 2:
Students are required to experience 30 books. To experience a book a student can listen to the book, participate in a shared reading of the book or read part or all of the book independently. At least 25 books must be selected from the PRC K – 2 Booklist. The other five can be personal choice (PC) books.

(ii) Year 3 – 4:
Students are required to experience 20 books. To experience a book a student can listen to the book, participate in a shared reading of the book or read part or all of the book independently. At least 15 books must be selected from the PRC 3 - 4 Booklist. The other five can be personal choice books.

(iii) Year 5 – 6:
Students are required to experience 20 books. To experience a book a student can listen to the book, participate in a shared reading of the book or read part or all of the book independently. At least 15 books must be selected from the PRC 5 - 6 Booklist. The other five can be personal choice books.

Rules Summary Table

<td>5-6, 7-9</td>
</tr>
</tbody>
</table>

The full reading list and Premier’s Reading Challenge rules can be viewed on the website: https://online.det.nsw.edu.au/prc/home.html

Parents are advised that students who successfully complete a validated online reading record qualify for a PRC certificate and will appear on the PRC Honour Roll. The certificate shows the student’s name and school. Only the students’ name will appear in the Honour Roll with no other identifying factors. Students who do not wish to receive a certificate or be on the Honour Roll should not register for The Challenge. These students may use the PRC booklists to do The Challenge unofficially and will be recognised within the Moree Public School community.

The library staff will happily assist students to identify and borrow the correct books to complete the 2017 NSW Premier’s Reading Challenge. If you require any further information regarding student participation in this annual literacy initiative, please do not hesitate to contact the school.

Mrs L. Beattie
(Teacher Librarian)
PERSONAL READING LOG

Name: ________________________________ Class: ______

- Moree Public School library has a large selection of labelled books that will enable your child to successfully complete this whole school Reading Challenge.

- To ensure you are reading the correct books, please check the rules for the Challenge on the website: https://online.det.nsw.edu.au/prc/home.html

- Student Reading Records will be validated and entered online by library staff.

- Please use the last two columns on the table below to date and sign each book as it is read by your child. Completed Reading Logs are to be returned to the library.
